Academic employment

An Wang Postdoctoral Fellow, Fairbank Center for Chinese Studies, Harvard University 2025.8-

Education

PhD, Sociology, Georgia Institute of Technology 2025

Graduate Certificates: Public Policy; Science, Technology and Society

Dissertation: *Navigating the Precarious Chinese Dream of Innovation: State, Ride-hailing Platforms, and Workers*

Committee: Amit Prasad (Georgia Tech); Willie Pearson Jr. (Georgia Tech); Hanchao Lu (Georgia Tech); Ya-Wen Lei (Harvard), Lin Zhang (U of New Hampshire)

MPhil, Science & Technology Studies, The University of Hong Kong 2019

Dissertation: *Technology Choices of Chinese Taxi Drivers under E-hailing: Conventional Occupation Groups under the Impact of Digital Automation and Post-Fordism*

Committee: Gonçalo D. Santos (U of Coimbra); Naubahar Sharif (HKUST); Jacob Eyferth (U Chicago); Pun Ngai (Lingnan)

MA, Social Science, Hong Kong University of Science and Technology (Distinction) 2017

BBA (Acc & Fin), The University of Hong Kong 2016

Research & teaching interests

Science, technology, and innovation policy; Innovation studies

Sociology of technology and work; Science & technology studies (STS)

Social implications and governance of the platform economy, artificial intelligence, and digital infrastructure

Automation and digital workforce

China

Teaching experience

Instructor

- Introduction to Science, Technology, and Society (UG, X-Academy) 2022.7-8

Teaching assistant

- Introduction to Sociology (UG, Georgia Tech) 2022-23

- Science, Technology, Medicine and Race (UG, Georgia Tech) 2021.1-5

Guest lecturer

- Contemporary Chinese Society (UG & PG, Harvard) 2026.3
  Lecture: How to build a platform in China?
- Theorizing Digital Capitalism (UG & PG, Harvard) 2025.11
  Lecture: Three principles of studying platforms elsewhere
- Technology and Society (UG, Northeastern, USA) 2025.10
  Lecture: The platform economy and future of work
- Understanding Society, Economy, and Governance in the Digital Era (UG, HKUST) 2025.2
  Lecture: Speed, time, and infrastructure in the digital era
- Traditions of Inquiry in Social Sciences (UG, CityU HK) 2024.11
  Lecture: Sociological thoughts on science and technology
- Urban Development and Sustainable Cities (PG, CityU HK) 2024.11
  Lecture: The platform economy and automation
- Introduction to Sociology (UG, Georgia Tech) 2022-23
  Lecture: Testing the promise of the gig economy
  Lecture: Technology and future of work

Tutorial instructor

- Technology, Power and Culture in the Global Age (UG, HKU) 2018.1-5

Awards & grants

Co-I: General Research Fund (Ref.: 11600724): An Ethnographic, Processual Study of Platformized Lives: WeChat in China as a Case Study, Research Grants Council, Hong Kong SAR Government, HK$1,158,890 2025-27

Ivan Allen College Travel and Fieldwork Grant, Georgia Tech, US$2,200 2023

Kranzberg / Lesson Smith Fellowship, Georgia Tech, US$5,500/yr 2020-24

Finalist, Best MPhil. Thesis Award, Hong Kong Sociological Association 2019

Graduate Conference & Support, HKU, HK$15,000/yr 2017-18

Dean's List, School of Humanities and Social Science, HKUST 2017

Conference papers & presentations

14. Towards skill-sustainment strategies in response to workplace digitalization and automation: Case of the platform economy in China. ***Digitalization, Precarious Work, and Welfare State in Asia Workshop***, New Taipei City, Taiwan (online), 2025.
