

Xing, Linzhou (Jack) 邢麟舟

Division of Public Policy, the Hong Kong University of Science and Technology
Clear Water Bay, Kowloon, Hong Kong SAR, China
xinglz@ust.hk

Academic employment

Assistant Professor, Division of Public Policy, Hong Kong University of Science and Technology	2026.8-
An Wang Postdoctoral Fellow, Fairbank Center for Chinese Studies, Harvard University	2025.8-2026.7

Education

PhD, Sociology, Georgia Institute of Technology	2025
Graduate Certificates: Public Policy; Science, Technology and Society	
Dissertation: <i>Navigating the Precarious Chinese Dream of Innovation: State, Ride-bailing Platforms, and Workers</i>	
Committee: Amit Prasad (Georgia Tech); Willie Pearson Jr. (Georgia Tech); Hanchao Lu (Georgia Tech); Ya-Wen Lei (Harvard), Lin Zhang (U of New Hampshire)	
MPhil, Science & Technology Studies, The University of Hong Kong	2019
Dissertation: <i>Technology Choices of Chinese Taxi Drivers under E-bailing: Conventional Occupation Groups under the Impact of Digital Automation and Post-Fordism</i>	
Committee: Gonçalo D. Santos (U of Coimbra); Naubahar Sharif (HKUST); Jacob Eyferth (U Chicago); Pun Ngai (Lingnan)	
MA, Social Science, Hong Kong University of Science and Technology (Distinction)	2017
BBA (Acc & Fin), The University of Hong Kong	2016

Research & teaching interests

Science, technology, and innovation policy; Innovation studies
Sociology of technology and work; Science & technology studies (STS)
Social implications and governance of the platform economy, artificial intelligence, and digital infrastructure
Automation and digital workforce
China

Teaching experience

Instructor

- Introduction to Science, Technology, and Society (UG, X-Academy) 2022.7-8

Teaching assistant

- Introduction to Sociology (UG, Georgia Tech) 2022-23
- Science, Technology, Medicine and Race (UG, Georgia Tech) 2021.1-5

Guest lecturer

- Contemporary Chinese Society (UG & PG, Harvard) 2026.3
Lecture: How to build a platform in China?
- Theorizing Digital Capitalism (UG & PG, Harvard) 2025.11
Lecture: Three principles of studying platforms elsewhere
- Technology and Society (UG, Northeastern, USA) 2025.10
Lecture: The platform economy and future of work
- Understanding Society, Economy, and Governance in the Digital Era (UG, HKUST) 2025.2
Lecture: Speed, time, and infrastructure in the digital era
- Traditions of Inquiry in Social Sciences (UG, CityU HK) 2024.11
Lecture: Sociological thoughts on science and technology
- Urban Development and Sustainable Cities (PG, CityU HK) 2024.11
Lecture: The platform economy and automation
- Introduction to Sociology (UG, Georgia Tech) 2022-23
Lecture: Testing the promise of the gig economy
Lecture: Technology and future of work

Tutorial instructor

- Technology, Power and Culture in the Global Age (UG, HKU) 2018.1-5

Awards & grants

- Co-I: General Research Fund (Ref.: 11600724):** An Ethnographic, Processual Study of Platformized Lives: WeChat in China as a Case Study, Research Grants Council, Hong Kong SAR Government, HK\$1,158,890 2025-27
- Ivan Allen College Travel and Fieldwork Grant,** Georgia Tech, US\$2,200 2023
- Kranzberg / Lesson Smith Fellowship,** Georgia Tech, US\$5,500/yr 2020-24
- Finalist, Best MPhil. Thesis Award,** Hong Kong Sociological Association 2019
- Graduate Conference & Support,** HKU, HK\$15,000/yr 2017-18
- Dean's List,** School of Humanities and Social Science, HKUST 2017

Conference presentations

15. Ride or die: Deadline infrastructure and overwork in platform economies. *International Network of Digital Labor- North America Symposium on Labor and Artificial Intelligence*, Yale University, New Haven, CT, USA, 2026.
14. Towards skill-sustainment strategies in response to workplace digitalization and automation: Case of the

platform economy in China. *Digitalization, Precarious Work, and Welfare State in Asia Workshop*, New Taipei City, Taiwan (online), 2025.

12. (With N. Sharif) A processual approach to deskilling/reskilling in digital automation. *American Sociological Association Annual Meeting*, Chicago, IL, USA, 2025. *Technological Forecasting & Social Change Conference*, Hsinchu, Taiwan, 2023; *Society for the Social Studies of Science Annual Meeting*, Cholula, Mexico, 2022.
11. Policy implications of skill changes under digital automation: A processual approach. *The 10th Atlanta Conference on Science and Innovation Policy*. Atlanta, USA, 2025; *Society for the Social Studies of Science Annual Meeting*, Seattle, WA, USA, 2025.
10. Platforms' algorithmic operation beyond the logic of labor control: Policy implications from the case of ride-hailing in China. *Managing Disruptive Technologies and Platform Economy: Labor Market and Social Policy Implications—A Policymaker-Practitioner-Scholar Dialogue*, Hong Kong SAR, China, 2025.
9. (With J. Zhang) Circulating myth, imagining wealth in the platform economy: The Case of Didi. *Society for the Social Studies of Science Annual Meeting*, Amsterdam, Netherlands, 2024; *East Asian Regional Conference in Alternative Geography – Global Political Economy*, Hong Kong SAR, China, 2023.
8. Towards a non-teleological approach to the infrastructuralization of platforms: The case of WeChat Pay (and Didi). *American Anthropological Association Annual Meeting*, Toronto, OT, Canada, 2023.
7. Rethinking the platform economy through global assemblages: The case of Didi's development and IPO Crisis. *Society for the Social Studies of Science Annual Meeting*, Honolulu, HI, USA, 2023.
6. (With E. L. Zheng) Misaligned imaginary of surveillance: The case of the health code systems in China. *American Sociological Association Annual Meeting*, Philadelphia, PA, USA, 2023.
5. (With G. D. Santos, J. Zhang, & Y. Rao) Work, ethics, and freedom in 21st century China: Emerging visions of work-life balance. *Work, Ethics and Freedom Workshop, Max Planck Institute for Social Anthropology*, Halle/Saale, Germany, 2019.
4. Contestation and negotiation between different configurations of urban transport infrastructure: Chinese taxi drivers' adaptation to the knowledge and practice of ride-hailing. *American Anthropological Association Annual Meeting*, Vancouver, Canada, 2019.
3. Combining ethnography with sociotechnical systems: Research on taxi drivers in relation to e-hailing in China. *American Anthropological Association Annual Meeting*, San Jose, CA, USA, 2018.
2. Practical competency, social acceptability, and feminist technologies: Revision on a Stand-to-Pee toilet promotion project in a Xi'an university. *Taiwan Gender in Science and Technology (GIST) Annual Conference*, Kaohsiung, Taiwan, 2017.
1. To switch or not: Technology choices of taxi drivers and new driver culture under the popularity of e-hailing. *East Asian Anthropological Association Annual Meeting*, Hong Kong SAR, China, 2017.

In Chinese

4. 滴滴如何应对中国政府? (How Didi addressed the Chinese government). *Fairbank Center for Chinese Studies/Asia Society Center on U.S.-China Policy Symposium*, Harvard University. Cambridge, MA, USA, 2026.
3. 从STS视角重审中国社会的平台化：以滴滴的发展历程与上市危机为例 (Rethinking the Platformization of China from a Platforms as global assemblages: Didi's development trajectory and IPO crisis). 《自然辩证法通讯》新科技革命时代科技与社会互动的新生态研讨会 (Forum on the New Ecology of Interaction between Science, Technology, and Society in the Era of New Science and Technology revolution, by Journal of Dialectic of Nature). Beijing, China (online), 2025
2. 作为全球拼装体的平台：以滴滴的發展歷程與上市危機為例 (Platforms as global assemblages: Didi's development trajectory and IPO crisis). *華人世界的平台化：平台治理、勞工與未來工作坊 (Platformization in the Chinese world: Workshop for platform governance, labor, and future)*, Hong Kong SAR, China, 2024.

1. 在非典型STS系学习STS (Studying STS in an atypical STS department). *中国自然辩证法研究会年会 (The Chinese Society for Dialectics of Nature Annual Meeting)*, Online, 2022

Invited academic talks & academic interviews

5. Riding with the State: Didi and Precarious Symbiosis between State and Platforms in China. *An Wang Workshop: Technology and Society in/through Global China: New Reflections, New Visions, Fairbank Center for Chinese Studies, Harvard University*, Cambridge, MA, USA, 2026; *Association of Asian Studies Southeast Conference - China Research Center Sponsored Talk*, Atlanta, GA, 2026.
4. Policy Implications of Skill Changes under Digital Automation: A Processual Approach. *Division of Public Policy, The Hong Kong University of Science and Technology*, Hong Kong SAR, China, 2024; *School of Public Policy, Chinese University of Hong Kong (Shenzhen)*, Shenzhen, China, 2024.
3. Interview with Prof. Fa-ti Fan. *Discussing Everyday Technologies – Making Modernity in East Asia. Hong Kong Institute for the Humanities and Social Sciences*, Hong Kong SAR, China, 2021.
https://www.youtube.com/watch?v=1R8_8O-i1BU.
2. Interview with Prof. Gregory Clancey. *Discussing Everyday Technologies – Making Modernity in East Asia. Hong Kong Institute for the Humanities and Social Sciences*, Hong Kong SAR, China, 2021.
<https://www.youtube.com/watch?v=UCVRuTyOjAQ>.
1. Interview with Prof. Hallam Stevens. *Discussing Everyday Technologies – Making Modernity in East Asia. Hong Kong Institute for the Humanities and Social Sciences*, Hong Kong SAR, China, 2021.
<https://www.youtube.com/watch?v=fiNa861sF1Y>.
